AI-Powered Suggestions to Reach 90%+

AI SUGGESTION

- Add relevant technical skills to your resume

AI SUGGESTION

- Use stronger action verbs to improve impact

AI SUGGESTION

- Mirror the job description keywords throughout your resume

AWS

- Incorporate 'AWS' naturally into your experience bullets and skills section — this keyword is in the job description and boosts your ATS score.

KUBERNETES

- Incorporate 'Kubernetes' naturally into your experience bullets and skills section — this keyword is in the job description and boosts your ATS score.

TERRAFORM

- Incorporate 'Terraform' naturally into your experience bullets and skills section — this keyword is in the job description and boosts your ATS score.

CI/CD

- Incorporate 'CI/CD' naturally into your experience bullets and skills section — this keyword is in the job description and boosts your ATS score.

JENKINS

- Incorporate 'Jenkins' naturally into your experience bullets and skills section — this keyword is in the job description and boosts your ATS score.
